

#### Goals of the Fund

The Fund is created having in mind the clients who wish to harvest an attractive return by using the global growth of world economy, especially in the most developed economies of the world, such as the USA, Germany and Switzerland. Our goal is to build in our portfolio with the shares of the companies in Stoxx Euro 50 and DOWJ indexes. The return will be effectuated through investing the Fund's assets into shares of large companies that create global demand and are the main driving forces of economic development. Through investing in the Fund, the clients will be able to achieve diversification of their capital and accomplish their personal financial goals, while having high liquidity of the investment.
